The logo for LRQA, consisting of the letters "LRQA" in a bold, blue, sans-serif font. The letter "A" has a green checkmark integrated into its right side.

A handwritten signature in black ink, located to the right of the LRQA logo.

A PERS certificate is the confirmation that the PERS requirements have been evaluated and met. However, because the review is based on third hand information, a PERS certificate is not a value judgement of the port environmental management system and its performance, since these have only been evaluated on the basis of documents supplied by the port.
